METHOD: Remove any medications that have expired and return to the EMS office. Do NOT list the expired medications on this form.

Only write down the medications that will be expiring in the next 3 months. If the expiration on the medication only lists a month and year, it means that the medication is good until the last day of the month. Ex: 4/06 is good until 4-30-06. Write down 4/30/06. If the medication lists the expiration as 1March06, it expires on March 1, 2006. Write down 3/1/06.
