The location and route of all poles, stubs, guys, anchors, conduits and cables to be placed and constructed by the Telephone Company in the construction and maintenance of its telephone system in the City, and the location of all conduits to be laid by the Telephone Company within the limits of the City under this ordinance, shall be subject to the reasonable and proper regulation, control and direction of the City Council or of any City official to whom such duties have been or may be delegated.

## SECTION 5 - TEMPORARY REMOVAL OF WIRES

## SECTION 6 - TREE TRIMMING

The right, license, privilege and permission is hereby granted to the Telephone Company, its successors and assigns, to trim trees upon and overhanging the streets, alleys, sidewalks and public places of the City, so as to prevent the branches of such trees from coming in contact with the wires or cables of the Telephone Company, and when so ordered by the City, said trimming shall be done under the supervision and direction of the City Council or of any City officials to whom said duties have been or may be delegated.

## SECTION 7 - ANNUAL CASH CONSIDERATION TO BE PAID BY THE TELEPHONE COMPANY

To indemnify the City for any and all possible damages to its streets, alleys, and public grounds which may result from the placing and maintenance therein or thereon of the Telephone Company's poles, conduits, or other telephone equipment or apparatus, and to compensate the City for its superintendance of this agreement, and as the cash consideration for the same, the Telephone Company agrees to pay to the City annually during the continuance of the agreement a sum of money equal to two per cent (2%) of the annual gross receipts for the preceding year received by the Company from the rendition of local exchange telephone transmission service within the corporate limits of the City. The first payment hereunder shall be made April 15, 1955, and shall equal in amount two per cent (2%) of the gross receipts received from January 1, 1954, to December 31, 1954; and thereafter payment shall be made annually on April 15 as herein provided.

fee tax; in lieu of any easement or franchise tax, whether levied as an ad valorem, special or other character of tax; and in lieu of any imposition other than the usual general or special ad valorem taxes now or hereafter levied. Should the City not have the legal power to agree that the payment of the foregoing cash consideration shall be in lieu of the taxes, licenses, charges, fees, rentals, and easement or franchise taxes aforesaid, then the City agrees that it will apply so much of said payment as may be necessary to the satisfaction of the Telephone Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, and easement or franchise taxes.
