SECTION 1. That the following charge shall be collected from owners of property making connection to the sanitary sewer line heretofore constructed by the City of Addison within the City limits of the City of Addison. That said charges shall be

paid to the City of Addison prior to the time any connection is made to said sanitary sewer line. That the following charge shall be paid, in addition to the normal connection charges and tapping fee, prior to the connection to the said sewer line, to-wit:

For connection to said sewer line a prorata charge of Eight Dollars and Fifty-Eight Cents (\$8.58) per front foot, chargeable on both sides of said line.

SECTION 3. That in addition to the prorata charges provided for in this Ordinance, all persons connecting to the sanitary sewer line shall pay the normal and usual connecting charges and tapping fees.

SECTION 4.
