It is not the intention of these criteria to discourage innovation. It is entirely conceivable that signage proposals could be made that, while clearly nonconforming to this ordinance and thus not allowable under these criteria, have obvious merit in not only being appropriate to the particular site or location, but also in making a positive contribution to the visual environment.

Such proposals will be seriously and fairly considered by the Addison Sign Review Board.

- B. The board shall have the authority to adopt reasonable rules and regulations for the enforcement of the Sign Ordinance and the authority to make recommendations to the full Council. The Council may consider appeals on the basis that such regulations and/or standards will, by reason of exceptional circumstances or surroundings, constitute a practical difficulty or unnecessary hardship.

Charter reference - Power of city to establish boards, Section 2.08(g).

SECTION 9. That Ordinance No. 348 and 515 is hereby repealed and all other Ordinances and provisions contained therein of the Town of Addison in conflict with the provisions of

this ordinance be and the same are hereby repealed and all other provisions of said ordinances not in conflict with the provisions of this ordinance remain in full force and effect.

SECTION 10. That should any paragraph, sentence, subdivision, clause, phrase or section of this ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this ordinance as a whole or any part or provision thereof other than the part so decided to be invalid, illegal, or unconstitutional.
