SECTION 3. The following special conditions are placed upon the above-described property:

1. HEIGHT REGULATIONS

No building or structure shall exceed six (6) standard stories in height unless set back from all lot lines one (1) foot for each one (1) foot above such height limit. Height of structures is further limited by the Federal Aviation Administration.

2. AREA REGULATIONS

1. Front Yard

- A. There shall be a front yard having a minimum depth of not less than twenty-five (25) feet except as hereinafter provided in the Article on Variances and Exceptions.
- B. Where lots have double frontage, running through from one street to another, the required front yard shall be provided on both streets.

2. Side Yard

On a corner lot, a side yard of twenty-five (25) feet shall be required on the side street.

3. Rear Yard

There shall be no rear yard depth required unless the PD District adjoins a single family or an apartment district. In this case, a ten (10) foot rear yard will be required.

3. MISCELLANEOUS REGULATIONS

- 1. Wherever this PD District adjoins a more restricted district (R-1, R-2, R-3 or A) and is not separated by a street, a six (6) foot solid sight barring fence or better shall be constructed and maintained along or within one (1) foot of the boundary or property line of said PD District to serve as permanent screening. All outside lighting features shall be placed and reflected in such a manner so as not to create annoyances, nuisances, or hazards.

2. Refuse Containers: All refuse and refuse containers shall be screened from all public right-of-way. (Such containers shall be set on a designed reinforced concrete pad and approach.) Screening walls must be of the same material as the building.
3. All ice boxes, ice machines, and vending machines are to be placed inside the principal building or located behind a screening wall where such walls are permitted.

4. PARKING REGULATIONS

Off-street parking space shall be provided for the appropriate building use classification according to the following ratio:

- A. General retail: (1/200 s.f.) One space per each two hundred square feet of floor area.
- B. Furniture Store: (1/1000 s.f.) One space per each one thousand square feet of floor area.
- C. Medical or Dental Clinics: (1/200 s.f.) One space per each two hundred square feet of floor area.
- D. Banks or Savings and Loans: (1/300 s.f.) One space per each three hundred square feet of floor area.
- E. Office: (1/300 s.f.) One space per each three hundred square feet of floor area. An office complex of 50,000 square feet or more: (1/300 s.f.) square feet of net leasable area.
- F. Motion Picture Theater: (1/4 seats) One space per each four seats based on maximum occupancy load.
- G. 1. Parking Regulations/Free Standing Restaurants.
 - a. Restaurants: (1/70 sq.ft.) One space for seventy (70) square feet of floor area for all free standing buildings unless it is part of a shopping center or mixed use development.
2. Parking regulations/Mixed Use Developments.
 - a. If all buildings which are part of the development total less than 30,000 square feet in area, and the development has more than 40% of its floor area devoted to restaurant uses, the parking for the restaurant uses shall be

provided at the ratio of one (1) space for every seventy (70) square feet of gross restaurant floor area.

- b. Free standing restaurants which occur within the mixed-use developments shall be required to provide parking at the ration of one (1) parking space for every one hundred (100) square feet of gross floor area if the property is deed restricted or if covenants exist which allow the restaurant the use of the entire on-site parking provided by the development. Such on-site parking must adjoin and/or be contiguous to the restaurant use. When there are no deed restrictions or covenants allowing restaurants the use of on-site parking, free-standing restaurants in mixed-use developments shall be required to provide parking at the ratio of one (1) parking space for every seventy (70) square feet of gross floor area.

- c. In the case of a restaurant development occurring in an unfinished center, the center must provide enough parking so as to give the restaurant use a parking requirement of one (1) space for every seventy (70) square feet.

- H. Retail and service buildings shall provide and maintain off-street facilities for the loading and unloading of merchandise and goods, within the building or on the lot adjacent to a private alley or private service drive to facilitate the movement of traffic on the public streets. Such space shall consist of a minimum area ten (10) feet by twenty-five (25) feet for each twenty thousand (20,000) square feet of floor space or fraction thereof in excess of three thousand (3,000) square feet in the building or on the lot used for retail, storage or service purposes.

5. TYPE OF CONSTRUCTION

Front walls of all buildings shall be at least 60% plate glass, brick, or stone veneer construction. Side and rear walls shall be brick or stone veneer construction, or trowel-applied elastomeric coating, with full manufacturer's warranty, over tilt-wall concrete construction.

6. EMERGENCY ACCESS EASEMENT

Where a building is located more than one hundred (100) feet from a dedicated public street, there shall be provided an

emergency access easement situated not further than thirty (30) feet from such building. Each emergency access easement shall allow for the rapid and safe movement of vehicles used for purposes of providing emergency health or public safety services. Each such easement shall have a clear unobstructed width of twenty-four (24) feet, shall connect at each end to a dedicated public street, or shall have a turn-around of eighty (80) feet in diameter; corner of emergency access easements and their intersections with public streets shall have a sufficient turning area to permit the free movement of emergency vehicles. Emergency access easements shall be marked by permanent signs, as required for designation of visitor parking spaces, and such signs shall have dimensions of not less than two (2) square feet nor greater than four (4) square feet in face area. Emergency access easements shall be clearly posted to prohibit parking or standing of vehicles except for emergency purposes.

7. OUTSIDE SALES AND/OR COMMERCIAL PROMOTIONS

1. Any outside sales and/or commercial promotions shall be required to obtain a permit.
2. The above outside sales and/or commercial promotion may be permitted for a period of 14 days each calendar year with a maximum of two permits per business per year, providing such goods, products or merchandise is displayed on a sidewalk within ten (10) feet of the business building.
3. The above outside sales and/or commercial promotion shall be construed to apply to merchandise dispensing units placed adjacent to and outside of a business building.
4. The above outside sales and/or commercial promotion shall not be construed to prohibit the display of merchandise normally placed on gasoline pumps and/or gasoline pump islands.

8. OUTSIDE STORAGE

1. Except for the equipment and/or the materials stored on a construction site and used for a temporary construction project, the long term outside storage of equipment, building and/or other materials, goods and products shall be prohibited within this district.

9. MECHANICAL EQUIPMENT

Mechanical equipment shall be constructed, located, and screened so as not to interfere with the peace, comfort and repose of the occupants of any adjoining building or residence and shall not be visible from any public street.

10. SITE LANDSCAPING

All landscaping within this Planned Development district shall be subject to the standards contained in Article XVIII, Landscaping Regulations, of Ordinance #66.

SECTION 4. All paved areas, permanent drives, streets and drainage structures shall be constructed in accordance with standard City of Addison specifications adopted for such purpose, and the same shall be done to the satisfaction of the City Engineer.

SECTION 5. That any person, firm, or corporation violating any of the provisions or terms of this ordinance shall be subject to the same penalty as provided for in the Comprehensive Zoning Ordinance of the City as heretofore amended, and upon conviction shall be punished by a fine not to exceed the sum of Two Thousand Dollars (\$2,000.00) and not less than Five Hundred Dollars (\$500.00) for each offense and that each day such violation shall continue to exist shall constitute a separate offense.

SECTION 6. That should any paragraph, sentence, sub-division, clause, phrase or section of this ordinance be adjudged or held to be unconstitutional, illegal or invalid, the same shall not affect the validity of this ordinance as a whole or any part or provisions thereof other than the part so decided to be invalid, illegal or unconstitutional, and shall not affect the validity of this ordinance as a whole.

SECTION 7. That all ordinances of the City in conflict with the provisions of this ordinance be, and the same are hereby

OFFICE OF THE CITY SECRETARY

ORDINANCE NO. 095-023

repealed and all other ordinances of the City not in conflict with the provisions of this ordinance shall remain in full force and effect.
