(a "Special Record Date") will be established by the Paying Agent/Registrar if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date", which shall be at least 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last business day next preceding the date of mailing of such notice.

(d) The principal of each Bond shall be paid to the person in whose name such Bond is registered on the due date thereof (whether at the maturity date or the date of prior redemption thereof) upon presentation and surrender of such Bond at the Designated Payment/ Transfer Office.

(e) If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

(f) Subject to any applicable escheat, unclaimed property, or similar law, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three years after the applicable payment or redemption date shall be paid to the City and thereafter neither the City, the Paying Agent/Registrar, nor any other person shall be liable or responsible to any Owners of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds.

Section 3.04. Execution and Initial Registration. (a) The Bonds shall be executed on behalf of the City by the Mayor and City Secretary of the City, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Ordinance unless and until there appears thereon the Bond of Paying

Agent/Registrar substantially in the form provided in this Ordinance, duly authenticated by manual execution of the Paying Agent/Registrar. It shall not be required that the same authorized representative of the Paying Agent/Registrar sign the Bond of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Bond of Paying Agent/Registrar described above, the Initial Bond delivered on the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided in this Ordinance, manually executed by the Comptroller of Public Accounts of the State of Texas or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the City, and has been registered by the Comptroller.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the Purchaser or its designee, executed by manual or facsimile signature of the Mayor and City Secretary of the City, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Paying Agent/Registrar shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser registered definitive Bonds as described in Section 3.10(a). To the extent the Paying Agent/Registrar is eligible to participate in DTC's FAST System, as evidenced by agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05. Ownership. (a) The City, the Paying Agent/Registrar and any other person may treat the person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment of the principal thereof and premium, if any, thereon, for the further purpose of making and receiving payment of the interest thereon (subject to the provisions herein that interest is to be paid to the person in whose name the Bond is registered on the Record Date), and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the person deemed to be the Owner of any Bond in accordance with this Section shall be valid and effectual and shall discharge the liability of the City and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange. (a) So long as any Bonds remain outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register (the "Register") in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) Registration of any Bond may be transferred in the Register only upon the presentation and surrender thereof at the Designated Payment/Transfer Office for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of the Bonds, or any portion thereof in any integral multiple of \$5,000, to the assignee or assignees thereof, and the right of such assignee or assignees thereof to have the Bond or any portion thereof registered in the name of such assignee or assignees. No transfer of any Bond shall be effective until entered in the Register. Upon assignment and transfer of any Bond or portion thereof, a new Bond or Bonds will be issued by the Paying Agent/Registrar in conversion and exchange for such transferred and assigned Bond. To the extent possible the Paying Agent/Registrar will

issue such new Bond or Bonds in not more than three business days after receipt of the Bond to be transferred in proper form and with proper instructions directing such transfer.

(c) Any Bond may be converted and exchanged only upon the presentation and surrender thereof at the Designated Payment/Transfer Office, together with a written request therefor duly executed by the registered owner or assignee or assignees thereof, or its or their duly authorized attorneys or representatives, with guarantees of signatures satisfactory to the Paying Agent/Registrar, for a Bond or Bonds of the same maturity and interest rate and in any authorized denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. If a portion of any Bond is redeemed prior to its scheduled maturity as provided herein, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in the denomination or denominations of any integral multiple of \$5,000 at the request of the registered owner, and in an aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon surrender thereof for cancellation. To the extent possible, a new Bond or Bonds shall be delivered by the Paying Agent/Registrar to the registered owner of the Bond or Bonds in not more than three business days after receipt of the Bond to be exchanged in proper form and with proper instructions directing such exchange.

(d) Each Bond issued in exchange for any Bond or portion thereof assigned, transferred or converted shall have the same principal maturity date and bear interest at the same rate as the Bond for which it is being exchanged. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond. The Paying Agent/Registrar shall convert and exchange the Bonds as provided herein, and each substitute Bond delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such substitute Bond is delivered.

(e) The City will pay the Paying Agent/Registrar's reasonable and customary charge for the initial registration or any subsequent transfer, exchange or conversion of Bonds, but the Paying Agent/Registrar will require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, exchange or conversion of a Bond. In addition, the City hereby covenants with the Owners of the Bonds that it will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Bonds, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer, registration, conversion and exchange of Bonds as provided herein.

(f) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within 45 calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation and Authentication. (a) All Bonds paid or redeemed before scheduled maturity in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled and destroyed upon the making of proper records regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall periodically furnish the City with certificates of destruction of such Bonds.

(b) Each substitute Bond issued pursuant to the provisions of Sections 3.06 and 3.09 of this Ordinance, in conversion of and exchange for or replacement of any Bond or Bonds issued under this Ordinance, shall have printed thereon a Paying Agent/Registrar's Authentication Certificate, in the form hereinafter set forth. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, manually sign and date such Certificate, and no such Bond shall be deemed to be issued or outstanding unless such Certificate is so executed. No additional ordinances, orders, or resolutions need be passed or adopted by the City Council or any other body or person so as to accomplish the foregoing conversion and exchange or replacement of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the execution and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Article 717k-6, Tex.Rev.Civ.Stat.Ann., as amended, and particularly Section 6 thereof, the duty of conversion and exchange or replacement of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of the above Paying Agent/Registrar's Authentication Bond, the converted and exchanged or replaced Bonds shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Initial Bond which was originally delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(c) Bonds issued in conversion and exchange or replacement of any other Bond or portion thereof, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the registered owners thereof, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed and sealed, and (vii) the principal of and interest on the Bonds shall be payable, all as provided, and in the manner required or indicated, in the Form of Bonds set forth in this Ordinance.

Section 3.08. Temporary Bonds. (a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar, at the Designated Payment/Transfer Office, of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and

principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected herewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the City to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the City or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System.

(a) The definitive Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.11 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Ordinance. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks or drafts being mailed to the registered Owner at the close of business on the Record Date, the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(c) The execution and delivery of the Representation Letter is hereby approved with such changes as may be approved by the Mayor, and the Mayor is hereby authorized to execute such Representation Letter.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System.

In the event that the City or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the City or the Paying Agent/ Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

The Bonds shall be subject to redemption before scheduled maturity only as provided in this Article IV.

Section 4.02. Optional Redemption.

(a) The City reserves the option to redeem Bonds maturing on and after August 15, 2006, in whole or any part, before their respective scheduled maturity dates, on August 15, 2005 or on any date thereafter, such redemption date or dates to be fixed by the City, at a price equal to the principal amount of the Bonds called for redemption plus accrued interest to the date fixed for redemption.

(b) The City, at least 45 days before the redemption date, unless a shorter period shall be satisfactory to the Paying Agent/Registrar, shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.03. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed, the City shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts for redemption.

(b) A portion of a single Bond of a denomination greater than \$5,000 may be redeemed, but only in a principal amount equal to \$5,000 or any integral multiple thereof. If such a Bond is to be partially redeemed, the Paying Agent/Registrar shall treat each \$5,000 portion of the Bond as though it were a single Bond for purposes of selection for redemption.

(c) Upon surrender of any Bond for redemption in part, the Paying Agent/Registrar, in accordance with Section 3.06 of this Ordinance, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

(d) The Paying Agent/Registrar shall promptly notify the City in writing of the principal amount to be redeemed of any Bond as to which only a portion thereof is to be redeemed.

Section 4.04. Notice of Redemption to Owners.

(a) The Paying Agent/Registrar shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register at the close of business on the business day next preceding the date of mailing such notice.

(b) The notice shall state the redemption date, the redemption price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Section 4.05. Payment Upon Redemption.

(a) Before or on each redemption date, the City shall deposit with the Paying Agent/Registrar money sufficient to pay all amounts due on the redemption date and the Paying Agent/Registrar shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust such amounts as are received by the Paying Agent/Registrar from the City and shall use such funds solely for the purpose of paying the principal of, redemption premium, if any, and accrued interest on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the principal of, redemption premium, if any, and accrued interest on such Bond to the date of redemption from the money set aside for such purpose.

Section 4.06. Effect of Redemption.

(a) Notice of redemption having been given as provided in Section 4.04 of this Ordinance, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption and, unless the City defaults in its obligation to make provision for the payment of the principal thereof, redemption premium, if any, or accrued interest thereon, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

(b) If the City shall fail to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same by the City.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office"), of the Paying Agent/Registrar executing the registration certificate appearing hereon or, with respect to a successor Paying Agent/Registrar, at the Designated Payment/Transfer Office of such successor. Reference is hereby made to the further provisions of this Bond set forth on the reverse side hereof, and such further provisions shall for all purposes have the same effect as if set forth on the face hereof.

* If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which such banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

* This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$6,615,000 (herein referred to as the "Bonds") pursuant to a certain ordinance of the City Council of the City (the "Ordinance") for the public purpose of providing funds for authorized public improvements, and to pay the costs of issuance related to the Bonds.

* The Bonds and the interest thereon are payable from the levy of a direct and continuing ad valorem tax, within the limit prescribed by law, against all taxable property in the City as described and provided in the Ordinance.

* The City has reserved the option to redeem the Bonds maturing on or after August 15, 2006, in whole or any part in principal amount equal to \$5,000 or any integral multiple thereof, before their respective scheduled maturity dates, on August 15, 2005, or on any date thereafter, at a price equal to the principal amount of the Bonds so called for redemption plus accrued interest to the date fixed for redemption. * Notice of such redemption or redemptions shall be given by first class mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

* As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such indorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar, and, thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

* Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the

transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

(b) If the amount of money in the Interest and Sinking Fund is at least equal to the aggregate principal amount of the outstanding Bonds plus the aggregate amount of interest due and that will become due and payable on such Bonds, no further deposits to that fund need be made.

(c) Money on deposit in the Interest and Sinking Fund shall be used to pay the principal of and interest on the Bonds as such become due and payable.

ARTICLE IX

PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds. While any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay the interest on and the principal of the Bonds, as applicable, as will accrue or mature on each applicable Interest Payment Date.

Section 9.02. Other Representations and Covenants. (a) The City will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Bond; the City will promptly pay or cause to be paid the principal of, interest on, and premium, if any, with respect to, each Bond on the dates and at the places and manner prescribed in such Bond; and the City will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The City is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the City in accordance with their terms.

Section 9.03. Provisions Concerning Federal Income Tax Exclusion. The City intends that the interest on the Bonds shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), and applicable regulations. The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Bonds to be includable in gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation. In particular, the City covenants and agrees to comply with each requirement of this Article IX; provided, however, that the City shall not be required to comply with any particular requirement of this Article IX if the City has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or if the City has received a Counsel's Opinion to the effect that compliance with some other requirement set forth in this Article IX will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in this Article IX.

Section 9.04. Use of Proceeds. The City covenants and agrees that its use of the Net Proceeds of the Bonds (as hereinafter defined) will at all times satisfy the following requirements:

(a) The City will limit the amount of original or investment proceeds of the Bonds to be used (other than use as a member of the general public) in the trade or business of any person other than a governmental unit to an amount aggregating no more than ten percent of the Net Proceeds of the Bonds

("private-use proceeds"). For purposes of this Section, the term "person" includes any individual, corporation, partnership, unincorporated association, or any other entity capable of carrying on a trade or business; and the term "trade or business" means, with respect to any natural person, any activity regularly carried on for profit and, with respect to persons other than natural persons, any activity other than an activity carried on by a governmental unit. Any use of proceeds of the Bonds in any manner contrary to the guidelines set forth in Revenue Procedure 93-19, including any revisions or amendments thereto, shall constitute the use of such proceeds in the trade or business of one who is not a governmental unit;

(b) The City will not permit more than five percent of the Net Proceeds of the Bonds to be used in the trade or business of any person other than a governmental unit if such use is unrelated to the governmental purpose of the Bonds. Further, the amount of private-use proceeds of the Bonds in excess of five percent of the Net Proceeds of the Bonds ("excess private-use proceeds") will not exceed the proceeds of the Bonds expended for the governmental purpose of the Bonds to which such excess private-use proceeds relate; and

(c) The City will not permit an amount of proceeds of the Bonds exceeding the lesser of (i) \$5,000,000 or (ii) five percent of the Net Proceeds of the Bonds to be used, directly or indirectly, to finance loans to persons other than governmental units.

When used in this Article IX, the term Net Proceeds of the Bonds shall mean the proceeds from the sale of the Bonds, including investment earnings on such proceeds, less accrued interest.

Section 9.05. No Federal Guaranty. The City covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code and applicable regulations thereunder, except as permitted by section 149(b)(3) of the Code and such regulations.

Section 9.06. Bonds are not Hedge Bonds. The City covenants and agrees that not more than 50 percent of the proceeds of the Bonds will be invested in nonpurpose investments (as defined in section 148(f)(6)(A) of the Code) having a substantially guaranteed yield for four years or more within the meaning of section 149(g)(3)(A)(ii) of the Code, and the City reasonably expects that at least 85 percent of the spendable proceeds of the Bonds will be used to carry out the governmental purposes of the Bonds within the three-year period beginning on the date the Bonds are issued.

Section 9.07. No-Arbitrage Covenant. The City shall certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the City will reasonably expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of section 148(a) of the Code and applicable regulations thereunder. Moreover, the City covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be "arbitrage bonds" within the meaning of section 148(a) of the Code and applicable regulations thereunder.

Section 9.08. Arbitrage Rebate. The City will take all necessary steps to comply with the requirement that certain amounts earned by the City on the investment of the "gross proceeds" of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the City will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the City allocable to other bond issue of the City

or moneys which do not represent gross proceeds of any bonds of the City, (ii) calculate at such times as are required by applicable regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under applicable regulations, all amounts required to be rebated to the federal government. Further, the City will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

Section 9.09. Information Reporting. The City covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and applicable regulations thereunder.

Section 9.10. Qualified Tax-Exempt Obligations. The City hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of section 265(b) of the Code. In connection therewith, the City represents (a) that the aggregate amount of tax-exempt obligations issued by the City during calendar year 1995, including the Bonds, which have been designated as "qualified tax-exempt obligations" under section 265(b)(3) of the Code does not exceed \$10,000,000, and (b) that the reasonably anticipated amount of tax-exempt obligations which will be issued by the City during calendar year 1995, including the Bonds, will not exceed \$10,000,000. For purposes of this section 9.10, the term "tax-exempt obligation" does not include "private activity bonds" within the meaning of section 141 of the Code, other than "qualified 501(c)(3) bonds" within the meaning of section 145 of the Code. In addition, for purposes of this section 9.10, the City includes all governmental units which are aggregated with the City under section 265(b) of the Code.

Section 9.11. Continuing Obligation. Notwithstanding any other provision of this Ordinance, the City's obligations under the covenants and provisions of this Article IX shall survive the defeasance and discharge of the Bonds.

ARTICLE X

DEFAULT AND REMEDIES

Section 10.01. Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an "Event of Default," to-wit:

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the City, the failure to perform which materially, adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of 60 days after notice of such default is given by any Owner to the City.

Section 10.02. Remedies for Default. (a) Upon the happening of any Event of Default, then and in every case any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 10.03. Remedies Not Exclusive. (a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XI

Section 11.02. Discharge by Deposit. (a) The City may discharge its obligation to pay the principal of, premium, if any, and interest on all or any portion of the Bonds, and its obligation to pay other sums payable or to become payable under this Ordinance by the City, by complying with the following provisions:

(i) the City shall deposit or cause to be deposited with the Paying Agent/Registrar an amount of money that, together with the interest earned on or capital gains or profits to be realized from the investment of such money, will be sufficient to pay the principal of, premium, if any, and accrued interest on such Bonds to maturity or to the date fixed for prior redemption of such Bonds, and to pay such other amounts as may be reasonably estimated by the Paying Agent/Registrar to become payable under this Ordinance, including the compensation due or to become due the Paying Agent/Registrar;

(ii) the City shall establish or cause to be established a separate escrow account fund with the Paying Agent/Registrar for the deposit pursuant to subdivision (i) of this subsection (a);

(iii) the City shall make provision for the investment of such moneys by the Paying Agent/Registrar in direct obligations of the United States of America, including obligations the principal of and interest on which are unconditionally guaranteed by the United States of America, which may be in book entry form, maturing and/or bearing interest payable at such times and in such amounts as will be sufficient to provide for the scheduled payments of such Bonds;

(vi) the City shall provide the Paying Agent/Registrar with an opinion of nationally recognized bond counsel acceptable to the Paying Agent/Registrar to the effect that the deposit specified in subdivision (i) of this subsection (a) will not cause the interest on the Bonds to become subject to federal income taxation.

(b) Upon compliance with subsection (a) of this Section, the Bonds for which provision is so made shall no longer be regarded as outstanding and unpaid, and the Paying Agent/Registrar, upon receipt of a letter of instructions from the City requesting the same, shall discharge and release the lien of this Ordinance with respect to such Bonds and execute and deliver to the City such releases or other instruments as shall be requisite to release the lien hereof.

(c) Following the final payment of the principal of, premium, if any, and interest on the Bonds, any moneys, interest earnings, profits or capital gains over and above the amounts necessary for such purposes shall be paid to the City.
