It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bond delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which Certificate shall be evidence that the Bond has been duly approved by the Attorney General of the State of Texas and that it is a valid and binding obligation of the Town, and has been registered by the Comptroller of Public Accounts of the State of Texas.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the Town and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06. Registration, Transfer and Exchange.

(a) So long as any Bonds remain outstanding, the Town shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Ordinance.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of \$5,000 and in an aggregate principal amount equal to the unpaid principal amount of the Bonds presented for exchange. The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) Each exchange Bond delivered by the Paying Agent/ Registrar in accordance with this Section shall constitute an original contractual obligation of the Town and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for any different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the Town nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond called for redemption, in whole or in part, where such redemption is scheduled to occur within forty-five (45) calendar days after the transfer or

exchange date; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.07. Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Ordinance, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Ordinance, shall be cancelled and proper records shall be made regarding such payment, redemption, exchange or replacement. The Paying Agent/Registrar shall then return such cancelled Bonds to the Town or may in accordance with law destroy such cancelled Bonds and periodically furnish the Town with certificates of destruction of such Bonds.

Section 3.08. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the Town may execute and, upon the Town's request, the Paying Agent/Registrar shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the Town executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Ordinance.

(c) The Town, without unreasonable delay, shall prepare, execute and deliver to the Paying Agent/Registrar the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and shall authenticate and deliver in exchange therefor Bonds of the same maturity and series, in definitive form, in the authorized denomination, and in the same aggregate principal amount, as the Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.09. Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The Town or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence

of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding, provided that the Owner first:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar to save it and the Town harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the Town and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the Town and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Town or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the Town and shall be entitled to the benefits and security of this Ordinance to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.10. Book-Entry Only System.

Notwithstanding any other provision hereof, upon initial issuance of the Bonds, the ownership of the Bonds shall be registered in the name of Cede & Co., as nominee of DTC. records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a Bondholder, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a Bondholder, as shown in the Register of any amount with respect to principal of or interest on the Bonds. Notwithstanding any other provision of this Ordinance to the contrary, the Town and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on such Bonds, for the purpose of all matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective owners, as shown in the Register as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Town's obligations with respect to payment of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the Town to make payments of amounts due pursuant to this Ordinance. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the word "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

Section 3.11. Successor Securities Depository; Transfer Outside Book-Entry Only System.

In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Bondholders transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

Section 3.12. Payments to Cede & Co.

Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the blanket letter of representation of the Town to DTC.

The Town of Addison, Texas (the "Town"), in the County of Dallas, State of Texas, for value received, hereby promises to pay to

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provided for, and to pay interest on such principal amount from the later of the Bond Date specified above or the most recent interest payment date to which interest has been paid or provided for until payment of such principal amount has been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a three hundred sixty (360) day year of twelve (12) thirty (30) day months, such interest to be paid semiannually on February 15 and August 15 of each year, commencing February 15, 2002.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office") of The Chase Manhattan Bank, as Paying Agent/Registrar or, with respect to a successor Paying Agent/Registrar, at the Designated Payment/Transfer Office thereof. Interest on this Bond is payable by check dated as of the interest payment date, and will be mailed by the Paying Agent/Registrar to the registered owner at the address shown on the registration books kept by the Paying Agent/Registrar or by such other customary banking arrangement acceptable to the Paying Agent/Registrar and the registered owner; provided, however, such registered owner shall bear all risk and expense of such other banking arrangement. At the option of an Owner of at least \$1,000,000 principal amount of the Bonds, interest may be paid by wire transfer to the bank

account of such Owner on file with the Paying Agent/Registrar. For the purpose of the payment of interest on this Bond, the registered owner shall be the person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the last business day of the month next preceding such interest payment date.

If the date for the payment of the principal of or interest on this Bond shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Paying Agent/Registrar is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall have the same force and effect as if made on the original date payment was due and no additional interest shall be due by reason of nonpayment on the date on which such payment is otherwise stated to be due and payable.

This Bond is one of a series of fully registered bonds specified in the title hereof issued in the aggregate principal amount of \$16,065,000 (herein referred to as the "Bonds"), issued pursuant to a certain ordinance of the Town (the "Ordinance") for the purpose of providing funds to refund certain outstanding obligations of the Town and to pay the costs of issuing the Bonds.

The Bonds maturing on and after February 15, 2012 are subject to redemption at the option of the Town on February 15, 2011 or on any date thereafter at a price of par plus interest accrued to the date of redemption. If less than all of the Bonds are to be redeemed pursuant to an optional redemption, the Town shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot the Bonds, or portions thereof, within such maturity or maturities and in such principal amounts, for redemption.

Notice of such redemption or redemptions shall be given by first class mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the registered owner of each of the Bonds to be redeemed in whole or in part. Notice having been so given, the Bonds or portions thereof designated for redemption shall become due and payable on the redemption date specified in such notice; and, from and after such date, notwithstanding that any of the Bonds or portions thereof so called for redemption shall not have been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

As provided in the Ordinance, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

The Town, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the Town nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law, and has been authorized by a vote of the properly qualified electors of the Town; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that ad valorem taxes upon all taxable property in the Town have been levied for and pledged to the payment of the debt service requirements of the Bonds, within the limit prescribed by law.

ARTICLE IX
PARTICULAR REPRESENTATIONS AND COVENANTS

Section 9.01. Payment of the Bonds.

On or before each Interest Payment Date for the Bonds and while any of the Bonds are outstanding and unpaid, there shall be made available to the Paying Agent/Registrar, out of the Interest and Sinking Fund, money sufficient to pay such interest on and principal of the Bonds as will accrue or mature on the applicable Interest Payment Date and, if applicable, on a date of redemption for the Bonds.

Section 9.02. Other Representations and Covenants.

(a) The Town will faithfully perform at all times any and all covenants, undertakings, stipulations, and provisions contained in this Ordinance and in each Bond; the Town will promptly pay or cause to be paid the principal of and interest on each Bond on the dates and at the places and manner prescribed in such Bond; and the Town will, at the times and in the manner prescribed by this Ordinance, deposit or cause to be deposited the amounts of money specified by this Ordinance.

(b) The Town is duly authorized under the laws of the State of Texas to issue the Bonds; all action on its part for the creation and issuance of the Bonds has been duly and effectively taken; and the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the Town in accordance with their terms.

Section 9.03. Provisions Concerning Federal Income Tax Exclusion.

The Town intends that the interest on the Bonds shall be excludable from gross income for purposes of federal income taxation pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable regulations promulgated thereunder (the "Regulations"). The Town covenants and agrees not to take any action, or knowingly omit to take any action within its control, that if taken or omitted, respectively, would cause the interest on the Bonds to be includable in the gross income, as defined in section 61 of the Code, of the holders thereof for purposes of federal income taxation. In particular, the Town covenants and agrees to comply with each requirement of Sections 9.03 through 9.10 of this Article IX; provided, however, that the Town shall not be required to comply with any particular requirement of Sections 9.03 through 9.10 of this Article IX if the Town has received an opinion of nationally recognized bond counsel ("Counsel's Opinion") that such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or if the Town has received a Counsel's Opinion to the effect that compliance with some other requirement set forth in Sections 9.03 through 9.10 of this Article IX will satisfy the applicable requirements of the Code, in which case compliance with such other requirement specified in such Counsel's Opinion shall constitute compliance with the corresponding requirement specified in Sections 9.03 through 9.10 of this Article IX.

Section 9.04. No Private Use or Payment and No Private Loan Financing.

The Town shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "private activity bonds" within the meaning of section 141 of the Code and the Regulations. The Town covenants and agrees that it will make such use of the proceeds of the Bonds, including interest or other investment income derived from Bond proceeds, regulate the use of property financed, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the bonds will not be "private activity bonds" within the meaning of section 141 of the Code and the Regulations.

Section 9.05. No Federal Guaranty.

The Town covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and the Regulations.

Section 9.06. Bonds are not Hedge Bonds.

The Town covenants and agrees not to take any action, or knowingly omit to take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be "hedge bonds" within the meaning of section 149(g) of the Code and the Regulations.

Section 9.07. No-Arbitrage Covenant.

The Town shall certify, through an authorized officer, employee or agent, that, based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, the Town will reasonably expect that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of section 148(a) of the Code and the Regulations. Moreover, the Town covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be "arbitrage bonds" within the meaning of section 148(a) of the Code and the Regulations.

Section 9.08. Arbitrage Rebate.

If the Town does not qualify for an exception to the requirements of Section 148(f) of the Code, the Town will take all necessary steps to comply with the requirement that certain amounts earned by the Town on the investment of the "gross proceeds" of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the Town will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the Town

allocable to other bond issue of the Town or moneys which do not represent gross proceeds of any bonds of the Town, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the Town will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm's length and had the yield on the issue not been relevant to either party.

Section 9.09. Information Reporting.

The Town covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations.

Section 9.10. Continuing Obligation.

Notwithstanding any other provision of this Ordinance, the Town's obligations under the covenants and provisions of Sections 9.03 through 9.09 of this Article IX shall survive the defeasance and discharge of the Bonds.

ARTICLE X
DEFAULT AND REMEDIES

Section 10.01. Events of Default.

Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

- (i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or
- (ii) default in the performance or observance of any other covenant, agreement or obligation of the Town, which default materially and adversely affects the rights of the Owners, including but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any Owner to the Town.

Section 10.02. Remedies for Default.

- (a) Upon the happening of any Event of Default, then any Owner or an authorized representative thereof, including but not limited to, a trustee or trustees therefor, may proceed

against the Town for the purpose of protecting and enforcing the rights of the Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Owners hereunder or any combination of such remedies.

(b) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Owners of Bonds then outstanding.

Section 10.03. Remedies Not Exclusive.

(a) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(b) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

ARTICLE XI
DISCHARGE

Section 11.01. Discharge.

The Bonds may be defeased, discharged or refunded in any manner permitted by applicable law.

ARTICLE XII
CONTINUING DISCLOSURE UNDERTAKING

Section 12.01. Annual Reports.

Any financial statements so to be provided shall be (i) prepared in accordance with the accounting principles described in Exhibit A hereto, and (ii) audited, if the Town commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within such period, then the Town shall provide notice that audited financial statements are not available and shall provide unaudited financial statements for the applicable fiscal year to each NRMSIR and any SID. The Town shall provide audited financial statements for the applicable fiscal year to each NRMSIR and to any SID, when and if audited financial statements become available.

Section 12.03. Limitations, Disclaimers and Amendments.

(a) The Town shall be obligated to observe and perform the covenants specified in this Article for so long as, but only for so long as, the Town remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the Town in any event will give notice of any Bond calls and any defeasances that cause the Town to be no longer an “obligated person.”

(b) The provisions of this Article are for the sole benefit of the Owners and beneficial owners of the Bonds, and nothing in this Article, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Town undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Article and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Town’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Article or otherwise, except as expressly provided herein. (c) No default by the Town in observing or performing its obligations under this Article shall constitute a breach of or default under the Ordinance for purposes of any other provisions of this Ordinance.

(d) Nothing in this Article is intended or shall act to disclaim, waive, or otherwise limit the duties of the Town under federal and state securities laws.

(e) The provisions of this Article may be amended by the Town from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Town, but only if (i) the provisions of this Article, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (ii) either (A) the Owners of a majority in aggregate principal amount (or any greater amount required by any other provisions of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (B) an entity or individual person that is unaffiliated with the Town (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Owners and beneficial owners of the Bonds. If the Town so amends the provisions of this Article, it shall

include with any amended financial information or operating data next provided in accordance with Section 12.01 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in type of financial information or operating data so provided.
