

NOTE:
 All materials and equipment
 will conform to NFPA # 13
 and will be approved for
 fire protection.
 All work will be done to meet
 NFPA # 404.16 and the City of
 Addison approval for Group 2
 Aircraft Hangar specifications.
 Brass upright fire sprinklers in
 all exposed areas and chrome
 pendant sprinklers with two piece
 chrome escutcheons in areas with
 suspended ceilings will be provided.
 All work will be done by qualified
 craftsmen in a safe manner.
 All work will be guaranteed for one
 year and all parts will be new and
 approved.
