TOWN OF ADDISON
BUILDING CODE DEPARTMENT
This set of plans contains various corrections and comments made by the City Staff. All trades will be required to comply with these corrections and comments; failure to inform the City of these corrections and comments will be considered a violation of the building code. This set of plans is to be kept on the job site at all times and is to be made available for use by city inspectors at their request. Failure to have these plans available may result in the denial of a requested inspection.
