1. North 89 degrees 28 minutes 45 seconds East, a distance of 115.13 feet to a 5/8" iron rod set with cap marked "WEBB-4125"
2. South 84 degrees 12 minutes 44 seconds East, a distance of 100.11 feet to a 5/8" iron rod set with cap marked "WEBB-4125";
3. North 89 degrees 28 minutes 45 seconds East, a distance of 139.83 feet to the POINT OF BEGINNING hereof and containing 1.7708 acres or 77,136 square feet of land, more or less.

OWNER'S CERTIFICATE
 NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:
 That TRAVIS HOLDINGS, L.L.C., a Texas limited liability company, does hereby adopt this plat designating the hereinabove property as REPLAT OF LOT 2, BLOCK D, ADDISON TOWN CENTER, on addition to the Town of Addison, Texas, and subject to the conditions, restrictions and reservations stated hereinafter. Owner dedicates to the public use, forever, the streets and alleys shown thereon.

The easements shown on this plat are hereby reserved for the purposes as indicated, including, but not limited to, the installation and maintenance of water, sanitary sewer, storm sewer, drainage, electric, telephone, gas and cable television. Owner shall have the right to use these easements, provided, however, that it does not unreasonably interfere or impede with the provision of the services to others. Said utility easements are hereby being reserved by mutual use and accommodation of all public utilities using or desiring to use the same. An express easement of ingress and egress is hereby expressly granted on, over and across all such easements for the benefit of the provider of services for which easements are granted.

Any drainage and floodway easement shown hereon is hereby dedicated to the public's use forever, but including the following covenants with regards to maintenance responsibilities. The existing channels or creeks traversing the drainage and floodway easement will remain as an open channel, unless required to be enclosed by ordinance, at all times and shall be maintained by the individual owners of the lot or lots that are traversed by or adjacent to the drainage and floodway easement. The Town will not be responsible for the maintenance and operation of said creek or creeks or for any damage or injury of private property or person that results from the flow of water along said creek, or for the control of erosion. No obstruction to the natural flow of water runoff shall be permitted by construction of any type of building, fence or any other structure within the drainage and floodway easement. Provided, however, it is understood that in the event it becomes necessary for the Town to channelize or consider erecting any type of drainage structure in order to improve the storm drainage, then in such event, the Town shall have the right, but not the obligation, to enter upon the drainage and floodway easement at any point, or points, with all rights of ingress and egress to investigate, survey, erect, construct or maintain any drainage facility deemed necessary by the Town for maintenance or efficiency of its respective system or service.

Water main and sanitary sewer easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water service and sewer services from the main to curb or pavement line, and the descriptions of such additional easements herein granted shall be determined by their locations as installed.

This plat is approved subject to all platting ordinances, rules, regulations and resolutions of the Town of Addison, Texas.
