Sandy,

I received the building plans, which I passed on to Lynn Chandler. I did not receive a set of the civil plans.

If you have any questions, please feel free to contact me.

Thanks,

Sandy,

Again, I only need the civil package. Lynn Chandler will handle the review of the building.

Thanks,

Mr. Barnett

My assistant Amy is coming by your offices today to drop off 2 sets of architectural plans and the rescheck. I should be getting the foundation plans tomorrow and submit them for you. Is there any other information I need to supply you for permit? Sandy
