

I wanted to confirm that we could submit in the meantime our plans to the city for permit to begin the process. Please let me know if this is possible. I have been speaking to Ms. Moran and I believe we have all necessary items to go ahead. However since there is no website with a list of requirements I need to make sure we have what is needed.

We have completed the drainage plan, RESCHECK, fire sprinkler, foundation and architectural plan. If there is any other document needed please let me know.

Thank you
