Carmen,

Attached are the comments for the Goldfarb Replat. I renamed the access easement as a private street easement. Please let me know what you think about that.

If you have any questions, please let me know.

Thanks,

Slade/Clay,

Just a reminder, I need comments from Slade on the Holiday Inn Express expansion, and comments from Clay on Lot 12R, Block 90, Goldfarb Addition. I have attached the agenda for August if you need case numbers etc.
