Rick/Jack:

The plans have been approved. Please submit an application for the Town of Addison ROW Excavation Permit. Please get and use the current application form from our website. If you are – or are working for – a “Franchise” utility or “CTP” please choose the “Franchise” form. If not, please choose the “General” form. Forms may be changed without notice at any time. Application forms are available online at: [https://addisontexas.net/index.php?section=infrastructure-services\\_forms-applications](https://addisontexas.net/index.php?section=infrastructure-services_forms-applications) and follow the directions on Page 1.

You will also need to call Dig-Tess (1-800-DIG-TESS = 1-800-344-8377) for line locates prior to the excavation. If you have any questions about the application, I would be happy to help. Thank you.
