Re: Paving Assistance at Addison Airport

Dear Commissioner Jackson:

The Town of Addison has been very pleased with the cooperation and cost sharing benefits that we have received from Dallas County for our pavement maintenance program. The work has always been done in a professional manner and at very reasonable cost to the Town.

This is to ask if Dallas County would be willing to participate in additional pavement maintenance projects on our airport. Each year we receive a matching grant for maintenance from TxDOT Aviation Division, and feel that with Dallas County's help, we could stretch those funds to complete more projects.

We would like to discuss these possibilities with you and your staff at your earliest convenience. Please give me a call at 972-450-7028 to set up a meeting time and place. Your attention to this matter will be most appreciated.

Very truly yours,

Town of Addison

Ron Whitehead
City Manager
