ADDENDUM NO. 1

**ADDISON AIRPORT
CONSTRUCT WEST TAXIWAY AND CONNECTORS WITH
DRAINAGE IMPROVEMENTS (SOUTH SEGMENT)
BID NO.: 98-04
TxDOT NO.: 9842 ADDSN**

December 18, 1997

ADDENDUM NO. 1

I. Specifications

A. TxDOT 164 - SEEDING FOR EROSION CONTROL

REVISE Section A. to read as follows:

"In Section 164.1 Description. This item shall also encompass fertilizing seeded areas in accordance with TxDOT Item 166, tacking agents in accordance with TxDOT Item 300, Vegetative Watering in accordance with TxDOT Item 168, and mulch as may be required to complete the item. The objective of this specification is to create a permanent stand of grass."

REVISE Section C. to read as follows:

"In Section 340.7 MEASUREMENT. Measurement shall be for the number of square yards seeded, mulched, and watered on the ground completed and accepted by the Engineer. Acceptance will be based on a minimum 80% coverage of established grass. Measurement shall only be made for areas disturbed as shown on the plans. Additional areas disturbed by the Contractor's operations but not delineated on the plans shall not be measured for payment by the Owner."

REVISE the Section number for PAYMENT to be Section D.

II. Drawings

A. Drawing No. 3

REPLACE Item No. T-901-5.1 in the summary of quantities with Item No. TxDOT 164-1.

B. Drawing No. 4

REPLACE Item No. T-901-5.1 in the summary of quantities with Item No. TxDOT 164-1.

C. Drawing No. 22

REVISE the Embedment Detail for Storm Sewer Detail No. 1 to add compaction requirements as per the attached Partial Drawing No. 22.

D. Drawing No. 25

REVISE the Manhole with Cast-In-Place Riser detail to remove the steps.

E. Drawing No. 26

REPLACE all references to Specification T-901 and T-908 in the paving notes with a reference to Specification TxDOT 164.

F. Drawing No. 35

DELETE the guidance sign at Taxiway B Sta. 231+64.17 from the project.

III. Contractor Questions

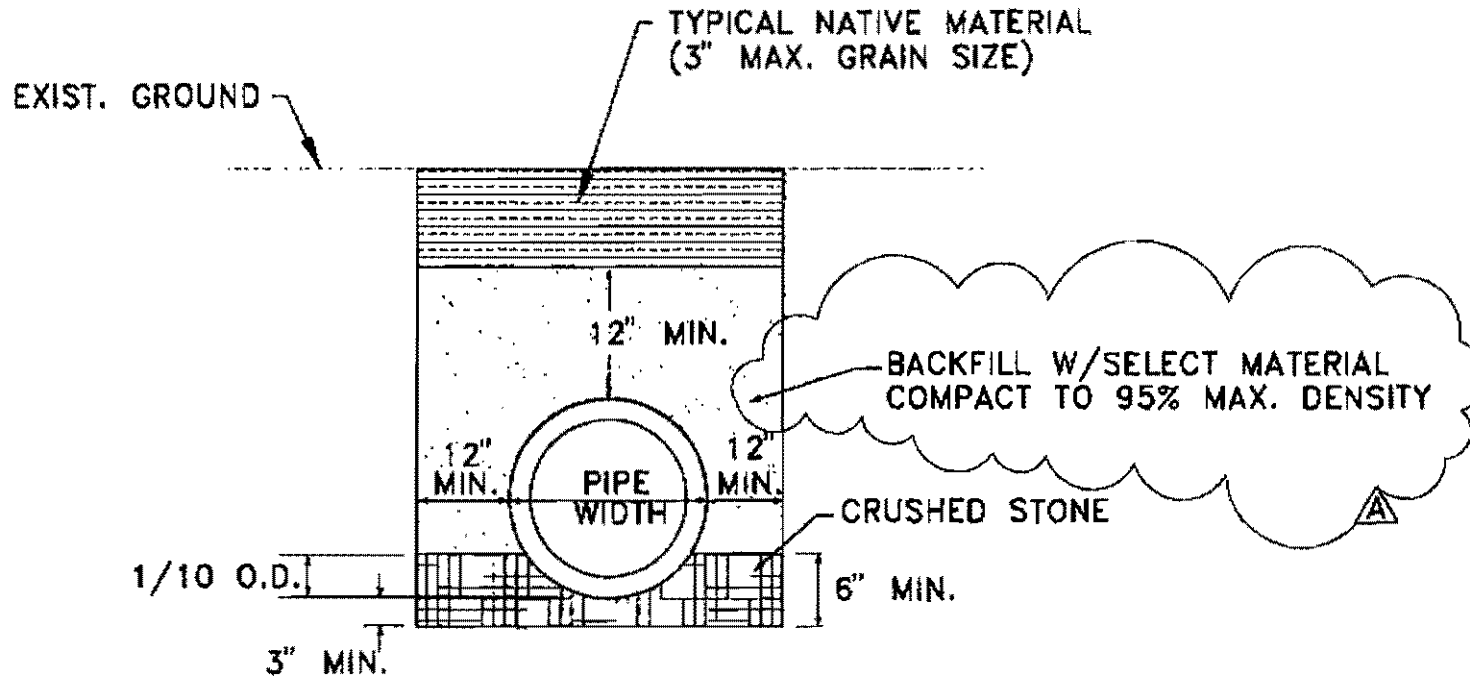

Question 1

Q. Will a time extension be granted if the Runway cannot be closed at the agreed upon time?

A. A time extension would be considered by the Owner if the construction elements associated with the Runway closure were a critical path item in the construction schedule.

Comments:

Attached is a draft of
an Entry of Use Permit that
would allow you to place
express material on City Property
@ the North end of Dooley Rd.

If this would be suitable,
then we would bid the "Land Reclamation"
job without any fill to be placed.
Please call me at your earliest
convenience

Jim

ENTRY AND USE PERMIT

DRAFT

1. Owner/Zachry

The Town of Addison ("Owner") is the owner, and Addison Airport of Texas, Inc. ("AATI") the Landlord, of the property located in the County of Dallas, Texas and warrant that they have the authority as Owner and Landlord to enter into this agreement with:

H. B. Zachry Company ("Zachry")
P.O. Box 531558
Grand Prairie, Texas 75053
Telephone: (972) 262-8898
Fax: (972) 264-5597

2. Purpose

The Owner's/Landlord's property identified in Attachment A, Zachry has excess material from its Job, ~~Keller Springs Tunnel~~ and is willing to place it on Owner's/Landlord's property.

3. Fill

Westside Taxiway,

The fill material imported by Zachry will be material excavated from the ~~Keller Springs Tunnel~~ *Westside Taxiway* consisting of soil and rock. The areas where fill will be placed will be agreed upon by Zachry's Project Manager, AATI, and the Town of Addison's Public Works Director. The following conditions apply to the placement of fill:

- A. Zachry will not dump any hazardous or toxic materials on the property.
- B. The fill material shall consist of soil and rock material.
- C. No concrete, rebar, pipe, trash, or rock larger than 12 inches in any dimension is permitted as fill material.
- D. Fill shall be placed in accordance with the grading plan developed for this project and approved by the Town of Addison Director of Public Works.
- E. Fill shall be placed in 8" lifts and compacted to a minimum of ~~95%~~ *90%* standard proctor at 0 to +3% optimum moisture. Test results from an independent lab shall be provided by Zachry to verify compactive effort.
- F. Fill shall be covered with 6" inches of top soil and Bermuda grass shall be re-established by ~~October~~ *July* 1998.
- G. Fill material shall be leveled daily.
- H. The Town of Addison or AATI reserve the right to terminate this agreement with 48 hours notice.
- I. The Town of Addison or AATI reserve the right to stop all fill operations on the airport when the operation conflicts with aviation activity or when the safety of aircraft is perceived to be in danger.
- J. Each driver will have a radio and have undergone communications training with the control tower prior to accessing the airport.

4. Indemnity

Zachry indemnifies and holds The Town of Addison and AATI harmless against any loss or damage caused by Zachry's construction operations. Zachry will furnish an insurance certificate naming the Town of Addison and AATI as additional insured's.

Owner further states that it is unaware of any required city permits.

Except as provided in this paragraph 4, there will be no charges between the parties. Owner will not pay Zachry for the fill and Zachry will not pay Owner for the dumping privilege.

4. Agreement

This is the complete agreement between the parties and can be amended only in writing signed by both parties.

5. Law

This agreement will be subject to the law of the State of Texas and venue is Dallas County, Texas.

6. Term

This agreement is effective on the date of the Owner's signature and shall expire on the earlier of the time ~~May~~ ^{October} 1998, or until Zachry has no further use for the dump site, or when terminated by paragraph 3-H.

EFFECTIVE this _____ day of _____, 1997.

**Re: West Taxiway and Connectors with Drainage Improvements (South Segment)
Addison Airport**

Dear Mr. Pierce:

We have completed our review of the three bids that were submitted for the West Taxiway and Connector project at the Addison Airport. Attached for your review and information is a tabulation of the bids that were submitted, as well as a matrix summary of the various forms and documents that were to be included in the bid documents by the contractors.

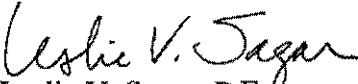

Please note that none of the contractors submitted all the forms as requested; however, we believe that the omitted forms are not significant to the determination of the lowest, most responsive bidder for this project, and that the few omitted forms can and should be obtained from the low bidder prior to award of the contract by the Town of Addison.

Based upon the bid tabulations, we recommend that the construction contract be awarded to H.B. Zachry for Alternates 1 and 3 in the amount of \$ 2,050,627.77 as the lowest and best bid, provided that the omitted forms (Statement of Premium Cost, Acknowledgement of Addenda) are obtained.

Please let me know if you have any questions regarding the bid tabulation or the summary matrix of forms submitted by the bidding contractors. Also, since this project will receive funding from TxDOT, please let me know if I can be of further assistance with coordination between the Town of Addison and TxDOT.

Sincerely,

GREINER, INC.

Leslie V. Sagar, P.E.
Project Manager

Addison Bid No. 98-04
Construct West Taxiway and Connectors with Drainage Improvements (South Segment)
 January 15, 1998

BID DOCUMENT CHECK LIST

Item	H.B Zachry	Duinnick Bros.	JRJ Paving
Auto insurance (1 mil.)	X	X 1	
Liability insurance (1 mil.)	X	X 1	
Statement of premium cost		2	
EEO certification	X	X	X
Acknowledge Addenda		X	X
List of Subcontractors	X	X	X
Bid Form	X	X	X
Bid Schedule	X	X	X
Certification statement	X	X	X
Signed in ink	X	X	X 3
5 client references	X	X	X
Qualification statement	X	X	X
Experience record	X	X	X
Equipment schedule	X	X	X
Financial statement	X	X	
Qualification Affidavit	X	X	X
Disclosure of lobbying activity	X	X	
Bid Bond	X	X	X

NOTES

1. A "sample" insurance certificate was provided.
2. A letter titled "Statement of Premium Cost" was provided, but no costs were listed.
3. Signatures, unit prices, and grand totals were in ink. Item amounts and some unit prices in words were in pencil.

ADDISON AIRPORT LIFE CYCLE COST ANALYSIS

PURPOSE

Determine the least costly pavement alternative for "Construct West Taxiway and Connectors with Drainage Improvements (South Segment)". The lowest bid concrete alternative will be compared to the lowest bid asphalt alternative using bid prices obtained from bid opening on January 15, 1998, at 2:00 pm.

ASSUMPTIONS

1. Concrete joint sealing will occur every 10 years
2. First overlay of a.c. pavement in 15 years. (3")
3. A life of 30 years is assumed to give materials same salvage value
4. A discount rate of 4% is used per AC 150/5320-6D, Appendix No. 1

ANALYSIS

Cost of joint seal in 1998 dollars

Centerline joint	23139-20127 =	3,012 lf	
Transverse joint	(3,012 lf/17.5) x 35 =	6,024	
Centerline connectors	365 lf x 2 =	730	
Transverse connectors	(730lf/17.5) x 35 =	1,460	
T/W E centerline		=	145
T/W E transverse	(145 lf/20) x 47 =	341	
Misc.		=	<u>1,400</u>
		=	13,112 lf x \$1.30
		=	<u>\$17,046</u>

Cost of asphalt overlay in 1998 dollars

A.C. (16,700 sy x 3" x 115 ^{lb} /sy.in)/2000 ^{lb} /ton = 2881 ton x \$47.90 =	\$138,000
Tack Coat 16,700 sy x 0.1 ^{gal} /sy x \$1.5/gal	=\$ 2,050
Striping 12,750 sf x \$1/sf	=\$ <u>12,750</u>
	<u>\$153,255</u>

$$\text{Present Worth} = C + M_1 \left(\frac{1}{1+r} \right)^1 + \dots + M_n \left(\frac{1}{1+r} \right)^n + S \left(\frac{1}{1+r} \right)^2$$

$$\begin{aligned} \Rightarrow PW_{\text{conc.}} &= 1,962,591 + 17,046 \left(\frac{1}{1+.04} \right)^{10} + 17,046 \left(\frac{1}{1+.04} \right)^{20} \\ &= 1,962,591 + 11,516 + 7,780 \\ &= \mathbf{\$1,981,887} \end{aligned}$$

$$\begin{aligned} PW_{\text{ac}} &= 1,906,503 + 153,255 \left(\frac{1}{1+.04} \right)^{15} \\ &= 1,906,503 + 85,097 \\ &= \mathbf{\$1,991,600} \end{aligned}$$

∴ the Concrete Pavement alternative has a lower life cycle cost

ADVERTISEMENT FOR BIDS

The Town of Addison is accepting bids from all interested parties for the Construction of the West Taxiway and Connectors with Drainage Improvements (South Segment) at the Addison Airport.

BID NO: 98-04

Texas Department of Transportation (TxDOT)
Project No.: 9842 ADDSN

Bid Name: West Taxiway and Connectors
with Drainage Improvements

Pre-Bid

2:00 pm, Tuesday, December 16, 1997
Addison Service Center
16801 Westgrove
Addison, Texas 75248

**** Attendance is Voluntary, but recommended ****

Bids Opened:

2:00 Thursday, January 15, 1998
Office of the Purchasing Manager
Addison Finance Building
5350 Belt Line, Addison, Texas 75240

For questions concerning the bidding procedure contact Mr. Clyde Johnson, Purchasing Manager, at (972) 450-7090. Questions concerning specifications or technical information may be directed to Ms. Leslie Sagar, Project Manager -URS Greiner, at (817) 545-0891 or Mr. James Pierce, Assistant City Engineer, at (972) 450-2879.

Copies of the general conditions, plans, and specifications and other bidding documents are on file and available in the office and are open for public inspection.

Complete sets of general conditions, plans, and specifications and other bidding documents may be obtained free of charge by applying to the purchasing Manager at 5350 Belt Line Road, Addison, Texas 75240, (972) 450-7090.

A Bid Security in the form of a Bid Bond issued by a Surety Company licensed by the State of Texas to act as Surety, or a Bidder of Insurance executed by a Surety Company licensed by the State of Texas to act as a surety or its authorized agent in the amount of (5%) of the gross amount of the base bid as a guaranty, shall accompany the sealed proposal of each bidder. Deposits will be returned to the unsuccessful bidders and to successful bidders upon approval of the Contract and submission of a 100% Performance Bond, a 100% Payment Bond and a 100% Maintenance Bond. The Surety Company shall be on the "U.S. Treasury Department's current List of Acceptable Securities, circular 570".

Policy: It is the policy of the Department of Transportation (DOT) that disadvantaged business enterprises as defined in 40 CFR Part 23 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds.

Buy American Provision: The proposed contract is subject to the Buy American provision under Section 9129 of the Aviation Safety and Capacity Expansion Act of 1990. Details of such requirement are contained in the Specifications.

DBE/MBE Requirements: All bidders and proposers shall make good faith efforts, as defined in Appendix A of 49 CFR Part 23, Regulations of the Secretary of Transportation, to subcontract 15% of the dollar value of the prime contract to small business concerns owned and controlled by socially and economically disadvantaged individuals (DBE). In the event that the bidder for this solicitation qualifies as a DBE, the contract goal shall be deemed to have been met. Individuals who are rebuttably presumed to be socially and economically disadvantaged include women, Blacks, Hispanics, Native Americans, Asian-Pacific Americans and Asian-Indian Americans. The apparent successful bidder (proposer) will be required to submit information concerning the DBE's that will participate in this contract. The information will include the name and address for each DBE, a description of the work to be performed by each named firm, and the dollar value of the contract (subcontract). If the bidder fails to achieve the contract goal as stated herein, it will be required to provide documentation that it made good faith efforts in attempting to do so. A bid that fails to meet these requirements will be considered nonresponsive.

The proposed contract is under and subject to Executive Order 11246 of September 24, 1965, and to the Equal Opportunity Clause. The Bidder's (Proposer's) attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in the Specifications.

The bidder (proposer) must supply all the information required by the bid or proposal form.

The successful bidder will be required to submit a Certification of Nonsegregated Facilities prior to award of the contract, and notify prospective subcontractors of the requirements for such a certification where the amount of the subcontract exceeds \$10,000. Samples of the Certification and Notice to Subcontractors appear in the Specifications.

Women will be afforded equal opportunity in all areas of employment. However, the employment of women shall not diminish the standards or requirements for the employment of minorities.

Contracts in Excess of \$50,000. The Sponsor hereby gives notice that a contractor having 50 or more employees and his subcontractors having 50 or more employees and who may be awarded a subcontract of \$50,000 or more will be required to maintain an affirmative action program within 120 days of the commencement of the contract.

Additional Notices for \$1 Million Contract.

(1) Pre-award Equal Opportunity Compliance Reviews. Where the bid of the apparent low responsible bidder is in the amount of \$1 Million or more, the bidder and his known all-tier subcontractors which will be awarded subcontracts of \$1 million or more will be subject to full, on site preaward equal opportunity compliance reviews before the award of the contract for the purpose of determining whether the bidder and his subcontractors are able to comply with the provisions of the Equal Opportunity Clause.

(2) Compliance Reports. Within 30 days after award of this contract, the contractor shall file a compliance report (Standard Form 100) if

(a) The contractor has not submitted a complete compliance report within 12 months preceding the date of award; and

(b) The contractor is within the definition of "employer" in paragraph 2e(3) of the instructions included in Standard Form 100.

(c) Subcontractors. The contractor shall require the subcontractor to all-tier subcontractors, irrespective of dollar amount, to file Standard Form 100 within 30 days after award of the subcontract of the above two conditions apply. Standard Form 100 will be furnished upon request.

The Town of Addison, Texas reserves the right to reject any or all bids.

MEMORANDUM

February 16, 1998

To: John Baumgartner, P.E.
Director of Public Works

From: James C. Pierce, Jr., P.E.
Assistant City Engineer

Re: Bids for the Construction of Addison Airport West Taxiway (South Segment)

On January 15, 1998, we received three bids for the construction of the Addison Airport West Taxiway (South Segment). Bids were received based on a concrete pavement alternate and based on a asphalt pavement alternate, as well as a taxiway lighting vs a taxiway edge reflector alternate. The base bids ranged from \$1,962,591 to \$2,330,826 and were all below the Engineer's estimate. The bids are within the budget established for this project. A summary of the bids is attached.

Our Engineer, URS Greiner, has prepared a life cycle cost analysis comparing concrete pavement with asphalt pavement and has determined the concrete pavement has a slightly lower life cycle cost than asphalt.

Staff recommends that the City Manager be authorized to award the bid for the concrete alternate along with the taxiway lighting alternate to H.B. Zachry for \$2,050,628.05, subject to receipt of the FAA Grant for the project.

MEMORANDUM

February 16, 1998

To: John R. Baumgartner, P.E.
Director of Public Works

From: Jim Pierce, P.E.
Assistant City Engineer 

Re: Westside Taxiway Reconstruction with Medium Intensity Lighting

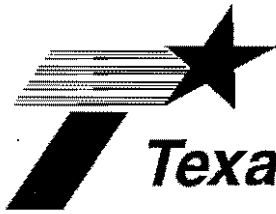

For a number of years staff has been pursuing funds from Texas Department of Transportation - Aviation Division (TxDOT) and the FAA to reconstruct the Airport's parallel westside taxiway.

The TxDOT - Aviation Division has informed us that a grant offer is pending. The grant will cover 90% of all eligible costs.

Staff recommends that the Council authorize the City Manager to accept a grant if offered, from TxDOT - Aviation Division in an amount not to exceed \$2,500,000.

Addison, Texas 75001-0144

TxDOT Project No.: AP ADDISON
TxDOT CSJ No.: 9842ADDSN

Dear Mr. Baumgartner:

Effective upon receipt of this letter you may begin advertising for the construction project: reconstruction of the west side partial parallel taxiway with medium intensity taxiway lights. When you submit the listed documents, TxDOT will issue the federal grant offer under the Airport Project Participation Agreement.

Sponsor Certification for Selection of Consultants.

Engineering Fees for design work to be reimbursement under this grant.

Sponsor Certification of Project Plans and Specifications.

Published Bid Advertisement; Bid Tabulation, Recommendation for Award and Certification for Equipment/Construction Contracts.

The city and your engineer's attention is called to the fact that the primary responsibility falls upon the city regarding compliance with federal, state and local statutes, ordinances, charter provisions, etc., relating to this project.

Sincerely,

Kathy Griffin
Grant Manager

The Surety Company shall be on the "U.S. Treasury Department's current List of Acceptable Securities, circular 570".

Policy: It is the policy of the Department of Transportation (DOT) that disadvantaged business enterprises as defined in 40 CFR Part 23 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds.

Buy American Provision: The proposed contract is subject to the Buy American provision under Section 9129 of the Aviation Safety and Capacity Expansion Act of 1990. Details of such requirement are contained in the Specifications.

DBE/MBE Requirements: All bidders and proposers shall make good faith efforts, as defined in Appendix A of 49 CFR Part 23, Regulations of the Secretary of Transportation, to subcontract 15% of the dollar value of the prime contract to small business concerns owned and controlled by socially and economically disadvantaged individuals (DBE). In the event that the bidder for this solicitation qualifies as a DBE, the contract goal shall be deemed to have been met. Individuals who are rebuttably presumed to be socially and economically disadvantaged include women, Blacks, Hispanics, Native Americans, Asian-Pacific Americans and Asian-Indian Americans. The apparent successful bidder (proposer) will be required to submit information concerning the DBE's that will participate in this contract. The information will include the name and address for each DBE, a description of the work to be performed by each named firm, and the dollar value of the contract (subcontract). If the bidder fails to achieve the contract goal as stated herein, it will be required to provide documentation that it made good faith efforts in attempting to do so. A bid that fails to meet these requirements will be considered nonresponsive.

The proposed contract is under and subject to Executive Order 11246 of September 24, 1965, and to the Equal Opportunity Clause. The Bidder's (Proposer's) attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in the Specifications.

The bidder (proposer) must supply all the information required by the bid or proposal form.

The successful bidder will be required to submit a Certification of Nonsegregated Facilities prior to award of the contract, and notify prospective subcontractors of the requirements for such a certification where the amount of the subcontract exceeds \$10,000. Samples of the Certification and Notice to Subcontractors appear in the Specifications.

Women will be afforded equal opportunity in all areas of employment. However, the employment of women shall not diminish the standards or requirements for the employment of minorities.

Contracts in Excess of \$50,000. The Sponsor hereby gives notice that a contractor having 50 or more employees and his subcontractors having 50 or more employees and who may be awarded a subcontract of \$50,000 or more will be required to maintain an affirmative action program within 120 days of the commencement of the contract.

Additional Notices for \$1 Million Contract.

(1) Pre-award Equal Opportunity Compliance Reviews. Where the bid of the apparent low responsible bidder is in the amount of \$1 Million or more, the bidder and his known all-tier subcontractors which will be awarded subcontracts of \$1 million or more will be subject to full, on site preaward equal opportunity compliance reviews before the award of the contract for the purpose of determining whether the bidder and his subcontractors are able to comply with the provisions of the Equal Opportunity Clause.

(2) Compliance Reports. Within 30 days after award of this contract, the contractor shall file a compliance report (Standard Form 100) if

(a) The contractor has not submitted a complete compliance report within 12 months preceding the date of award; and

(b) The contractor is within the definition of "employer" in paragraph 2e(3) of the instructions included in Standard Form 100.

(c) Subcontractors. The contractor shall require the subcontractor to all-tier subcontractors, irrespective of dollar amount, to file Standard Form 100 within 30 days after award of the subcontract of the above two conditions apply. Standard Form 100 will be furnished upon request.

The Town of Addison, Texas reserves the right to reject any or all bids.

ADVERTISEMENT FOR BIDS

Sealed proposals, addressed to the City of Carrollton will be received at the office of the Director of Public Works Engineering, City Hall, Engineering Department, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas 75011-0535, until 9:00 A.M., on December 19, 1997 for Sanitary Sewer Main Replacement Project 97-15.

Bidders must submit, with their bids, a cashier's, or certified check in the amount of (5%) of the maximum amount bid, payable without recourse to the City of Carrollton, Texas, or a Proposal Bond in the same amount from an approved Surety Company (according to the latest list of companies holding certificates of approval by the State Board of Insurance under 7.19-1 of the Texas Insurance Code) as guarantee that the Bidder will enter into a contract and execute bond and guarantee forms provided within ten (10) days after award of contract to him.

The successful Bidder must furnish Performance and Payment Bonds each in the amount of 100% of the contract price from an approved Surety Company holding a permit from the State of Texas, to act as Surety and acceptable according to the latest list of companies holding certificates of approval from the State Board of Insurance under 7.19-1 of the Texas Insurance Code. The successful bidder must also be able to show evidence that it is authorized to do business in the State of Texas prior to executing the contract.

All blanks on the Bid Form must be completed and all subtotal and total prices must be stated in both script and figures where indicated. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the price in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable or unbalanced unit price will be considered sufficient cause of rejection of any bid or bids.

Bidders shall have performed similar scope of work within the past three years. Bidders are expected to inspect the site of the work and to inform themselves regarding local conditions and conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas and subsequent amendments concerning the wage scale and payment of prevailing wages specified. Prevailing wage rate will be established by the City of Carrollton for this project. All bidders must comply with the rules and regulations for the Americans with Disabilities Act of 1990.

Instructions to Bidders, Proposal Forms, Specifications, Plans and Contract Documents may be examined without charge at the office of the Director of Public Works and Engineering, City Hall, 1945 E. Jackson Road, Carrollton, Texas 75006, and/or may be obtained for a \$25.00 non-refundable fee.

A pre-bid meeting will be held at the office of the City Engineer, City Hall, Engineering Department, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas, at 9:00 a.m., on December 12, 1997

Complete sets of general conditions, plans, and specifications and other bidding documents may be obtained free of charge by applying to the purchasing Manager at 5350 Belt Line Road, Addison, Texas 75240, (972) 450-7090.

A Bid Security in the form of a Bid Bond Issued by a Surety Company licensed by the State of Texas to act as Surety, or a Binder of Insurance executed by a Surety Company licensed by the State of Texas to act as a surety or its authorized agent in the amount of (5%) of the gross amount of the base bid as a guaranty, shall accompany the sealed proposal of each bidder. Deposits will be returned to the unsuccessful bidders and to successful bidders upon approval of the Contract and submission of a 100% Performance Bond, a 100% Payment Bond and a 100% Maintenance Bond. The Surety Company shall be on the "U.S. Treasury Department's current List of Acceptable Securities, circular 570".

Policy: It is the policy of the Department of Transportation (DOT) that disadvantaged business enterprises as defined in 40 CFR Part 23 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds.

Buy American Provision: The proposed contract is subject to the Buy American provision under Section 9129 of the Aviation Safety and Capacity Expansion Act of 1990. Details of such requirement are contained in the Specifications.

DBE/MBE Requirements: All bidders and proposers shall make good faith efforts, as defined in Appendix A of 49 CFR Part 23, Regulations of the Secretary of Transportation, to subcontract 15% of the dollar value of the prime contract to small business concerns owned and controlled by socially and economically disadvantaged Individuals (DBE). In the event that the bidder for this solicitation qualifies as a DBE, the contract goal shall be deemed to have been met. Individuals who are rebuttably presumed to be socially and economically disadvantaged include women, Blacks, Hispanics, Native Americans, Asian-Pacific Americans and Asian-Indian Americans. The apparent successful bidder (proposer) will be required to submit information concerning the DBE's that will participate in this contract. The information will include the name and address for each DBE, a description of the work to be performed by each named firm, and the dollar value of the contract (subcontract). If the bidder fails to achieve the contract goal as stated herein, it will be required to provide documentation that it made good faith efforts in attempting to do so. A bid that fails to meet these requirements will be considered nonresponsive.

The proposed contract is under and subject to Executive Order 11246 of September 24, 1965, and to the Equal Opportunity Clause. The Bidder's (Proposer's) attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth in the Specifications.

The bidder (proposer) must supply all the information required by the bid or proposal form.

The successful bidder will be required to submit a Certification of Nonsegregated Facilities prior to award of the contract, and notify prospective subcontractors of the requirements for such a certification where the amount of the subcontract exceeds \$10,000. Samples of the Certification and Notice to Subcontractors appear in the Specifications.

Women will be afforded equal opportunity in all areas of employment. However, the employment of women shall not diminish the standards or requirements for the employment of minorities.

Contracts in Excess of \$50,000. The Sponsor hereby gives notice that a contractor having 50 or more employees and his subcontractors having 50 or more employees and who may be awarded a subcontract of \$50,000 or more will be required to maintain an affirmative action program within 120 days of the commencement of the contract.

Sealed proposals, addressed to the City of Carrollton will be received at the office of the Director of Public Works Engineering, City Hall, Engineering Department, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas 75011-0535, until 9:00 A.M., on December 19, 1997 for Sanitary Sewer Main Replacement Project 97-15.

Bidders must submit, with their bids, a cashier's, or certified check in the amount of (5%) of the maximum amount bid, payable without recourse to the City of Carrollton, Texas, or a Proposal Bond in the same amount from an approved Surety Company (according to the latest list of companies holding certificates of approval by the State Board of Insurance under 7.19-1 of the Texas Insurance Code) as guarantee that the Bidder will enter into a contract and execute bond and guarantee forms provided within ten (10) days after award of contract to him.

The successful Bidder must furnish Performance and Payment Bonds each in the amount of 100% of the contract price from an approved Surety Company holding a permit from the State of Texas, to act as Surety and acceptable according to the latest list of companies holding certificates of approval from the State Board of Insurance under 7.19-1 of the Texas Insurance Code. The successful bidder must also be able to show evidence that it is authorized to do business in the State of Texas prior to executing the contract.

ADVERTISEMENT FOR BIDS

Sealed proposals, addressed to the City of Carrollton will be received at the office of the Director of Public Works Engineering, City Hall, Engineering Department, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas 75011-0535, until 2:00 P.M., on December 19, 1997 for Paving and Signal Improvements at Belt Line Road and Nix Road.

Bidders must submit, with their bids, a cashier's, or certified check in the amount of (5%) of the maximum amount bid, payable without recourse to the City of Carrollton, Texas, or a Proposal Bond in the same amount from an approved Surety Company (according to the latest list of companies holding certificates of approval by the State Board of Insurance under 7.19-1 of the Texas Insurance Code) as guarantee that the Bidder will enter into a contract and execute bond and guarantee forms provided within ten (10) days after award of contract to him.

The successful Bidder must furnish Performance and Payment Bonds each in the amount of 100% of the contract price from an approved Surety Company holding a permit from the State of Texas, to act as Surety and acceptable according to the latest list of companies holding certificates of approval from the State Board of Insurance under 7.19-1 of the Texas Insurance Code. The successful bidder must also be able to show evidence that it is authorized to do business in the State of Texas prior to executing the contract.

All blanks on the Bid Form must be completed and all subtotal and total prices must be stated in both script and figures where indicated. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the price in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable or unbalanced unit price will be considered sufficient cause of rejection of any bid or bids.

Bidders shall have performed similar scope of work within the past three years. Bidders are expected to inspect the site of the work and to inform themselves regarding local conditions and conditions under which the work is to be done. Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas and subsequent amendments concerning the wage scale and payment of prevailing wages specified. Prevailing wage rate will be established by the City of Carrollton for this project. All bidders must comply with the rules and regulations for the Americans with Disabilities Act of 1990.

Instructions to Bidders, Proposal Forms, Specifications, Plans and Contract Documents may be examined without charge at the office of the Director of Public Works and Engineering, City Hall, 1945 E. Jackson Road, Carrollton, Texas 75006, and/or may be obtained for a \$15.00 non-refundable fee.

A pre-bid meeting will be held at the office of the City Engineer, City Hall, Engineering Department, Conference Room 1W2, 1945 E. Jackson Road, Carrollton, Texas, at 2:00 p.m., on December 12, 1997

P.O. Box 531558
Grand Prairie, TX 75053-1558

Dear Mr. Salerno:

Thank you for submitting the low responsive and responsible bid for the Addison Airport Project known as Bid No. 98-04.

Our consultant has verified the accuracy of your bid and noted two omissions that need to be submitted so that your bid is in conformance with the request for bids. Those two items are, Statement of Premium Costs and Acknowledgment of Addenda. Please submit these two documents at your earliest convenience so that we can proceed with a recommendation to the Addison City Council when grant and funding issues are finalized.

If you have any questions about what is needed, please contact Ms. Leslie Sagar, Greiner Inc., 817-545-0891.

Sincerely yours,

**Re: Bid Packages
West Taxiway and Connectors
Addison Airport**

Dear Mr. Johnson:

Transmitted herewith are the three bid packages that were received by the Town of Addison at the bid opening held on January 15, 1998 for the West Taxiway and Connectors project at the Addison Airport. I am returning these to you for your files. A copy of the bid tabulation that was sent to Jim Pierce on January 19, 1998 is also enclosed for your review and files.

Please note that we have recommended the project be awarded to H. B. Zachry provided that they submit the forms which were omitted from their bid package. These include a Statement of Premium Cost, and an Acknowledgement of Addenda.

If you have any questions regarding the bid tabulation or our recommendation, please do not hesitate to call me at (817) 545-0891.

Sincerely,

GREINER, INC.

**Re: West Taxiway and Connectors with Drainage Improvements (South Segment)
Addison Airport**

Dear Mr. Pierce:

We have completed our review of the three bids that were submitted for the West Taxiway and Connector project at the Addison Airport. Attached for your review and information is a tabulation of the bids that were submitted, as well as a matrix summary of the various forms and documents that were to be included in the bid documents by the contractors.

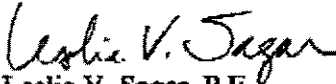

Please note that none of the contractors submitted all the forms as requested; however, we believe that the omitted forms are not significant to the determination of the lowest, most responsive bidder for this project, and that the few omitted forms can and should be obtained from the low bidder prior to award of the contract by the Town of Addison.

Based upon the bid tabulations, we recommend that the construction contract be awarded to H.B. Zaclry for Alternates 1 and 3 in the amount of \$ 2,050,627.77 as the lowest and best bid, provided that the omitted forms (Statement of Premium Cost, Acknowledgement of Addenda) are obtained.

Please let me know if you have any questions regarding the bid tabulation or the summary matrix of forms submitted by the bidding contractors. Also, since this project will receive funding from TxDOT, please let me know if I can be of further assistance with coordination between the Town of Addison and TxDOT.

Sincerely,

GREINER, INC.

**Re: West Taxiway and Connectors with Drainage Improvements (South Segment)
Addison Airport**

Dear Mr. Pierce:

We have completed our review of the three bids that were submitted for the West Taxiway and Connector project at the Addison Airport. Attached for your review and information is a tabulation of the bids that were submitted, as well as a matrix summary of the various forms and documents that were to be included in the bid documents by the contractors.

Please note that none of the contractors submitted all the forms as requested; however, we believe that the omitted forms are not significant to the determination of the lowest, most responsive bidder for this project, and that the few omitted forms can and should be obtained from the low bidder prior to award of the contract by the Town of Addison.

Based upon the bid tabulations, we recommend that the construction contract be awarded to H.B. Zachry for Alternates 1 and 3 in the amount of \$ 2,050,627.77 as the lowest and best bid, provided that the omitted forms (Statement of Premium Cost, Acknowledgement of Addenda) are obtained.

Please let me know if you have any questions regarding the bid tabulation or the summary matrix of forms submitted by the bidding contractors. Also, since this project will receive funding from TxDOT, please let me know if I can be of further assistance with coordination between the Town of Addison and TxDOT.

Sincerely,

GREINER, INC.

Addison Bid No. 98-04
Construct West Taxiway and Connectors with Drainage Improvements (South Segment)
 January 15, 1998

BID DOCUMENT CHECK LIST

Item	H.B Zachry	Duinnick Bros.	JRJ Paving
Auto insurance (1 mil.)	X	X 1	
Liability insurance (1 mil.)	X	X 1	
Statement of premium cost		2	
EEO certification	X	X	X
Acknowledge Addenda		X	X
List of Subcontractors	X	X	X
Bid Form	X	X	X
Bid Schedule	X	X	X
Certification statement	X	X	X
Signed in ink	X	X	X 3
5 client references	X	X	X
Qualification statement	X	X	X
Experience record	X	X	X
Equipment schedule	X	X	X
Financial statement	X	X	
Qualification Affidavit	X	X	X
Disclosure of lobbying activity	X	X	
Bid Bond	X	X	X

NOTES

1. A "sample" insurance certificate was provided.
2. A letter titled "Statement of Premium Cost" was provided, but no costs were listed.
3. Signatures, unit prices, and grand totals were in ink. Item amounts and some unit prices in words were in pencil.

ADDISON AIRPORT LIFE CYCLE COST ANALYSIS

PURPOSE

Determine the least costly pavement alternative for "Construct West Taxiway and Connectors with Drainage Improvements (South Segment)". The lowest bid concrete alternative will be compared to the lowest bid asphalt alternative using bid prices obtained from bid opening on January 15, 1998, at 2:00 pm.

ASSUMPTIONS

1. Concrete joint sealing will occur every 10 years
2. First overlay of a.c. pavement in 15 years. (3")
3. A life of 30 years is assumed to give materials same salvage value
4. A discount rate of 4% is used per AC 150/5320-6D, Appendix No. 1

ANALYSIS

Cost of joint seal in 1998 dollars

Centerline joint	23139-20127 =	3,012 lf
Transverse joint	(3,012 lf/17.5) x 35 =	6,024
Centerline connectors	365 lf x 2 =	730
Transverse connectors	(730lf/17.5) x 35 =	1,460
T/W E centerline	=	145
T/W E transverse	(145 lf/20) x 47 =	341
Misc.	=	<u>1,400</u>
	=	13,112 lf x \$1.30
	=	<u>\$17,046</u>

Cost of asphalt overlay in 1998 dollars

A.C. (16,700 sy x 3" x 115 ^{lb} /sy.in)/2000 ^{lb} /ton = 2881 ton x \$47.90 =	\$138,000
Tack Coat 16,700 sy x 0.1 ^{gal} /sy x \$1.5/gal	=\$ 2,050
Striping 12,750 sf x \$1/sf	=\$ <u>12,750</u>
	<u>\$153,255</u>

$$\text{Present Worth} = C + M_1 \left(\frac{1}{1+r} \right)^n + \dots + M_i \left(\frac{1}{1+r} \right)^{ni} + S \left(\frac{1}{1+r} \right)^2$$

$$\begin{aligned} \Rightarrow PW_{\text{conc.}} &= 1,962,591 + 17,046 \left(\frac{1}{1+0.04} \right)^{10} + 17,046 \left(\frac{1}{1+0.04} \right)^{20} \\ &= 1,962,591 + 11,516 + 7,780 \\ &= \mathbf{\$1,981,887} \end{aligned}$$

$$\begin{aligned} PW_{\text{ac}} &= 1,906,503 + 153,255 \left(\frac{1}{1+0.04} \right)^{15} \\ &= 1,906,503 + 85,097 \\ &= \mathbf{\$1,991,600} \end{aligned}$$

∴ the Concrete Pavement alternative has a lower life cycle cost

Intro Self

12-16-97

The Town will construct approximately 3000 linear feet of Taxiway on the west side of Addison Airport.

The taxiway is 35' wide and will be constructed of concrete or asphalt pavement.

Some drainage and lighting improvements are also planned.

Our schedule calls for bids to be received January 15th at 2pm at the Finance Office.

re: West Taxiway Prebid Conference
date: December 12, 1997
pages: 2, including this cover sheet.

Attached for your review and information is a draft agenda for the pre-bid conference on Tuesday. Also, in the past it has been customary to offer the potential bidders the opportunity to make a site visit. If you like, we can add this to the agenda and we can contact Curt Horn to coordinate a group site visit following the pre-bid conference.
