Subject: Annual DBE reports for FAA

I received an extension on submitting our annual report and goals, from this week until next. I need the following information on contracts let between Oct. 1, 1997 and Sep. 30, 1998:

Leslie - Greiner's total contract amount from Addison and amounts subcontracted to DBE firms, what type of service, etc. -complete a sheet (file attached) on each DBE.

CERT-DBE FORM.doc

Jim - Any professional services contracts let, in addition to Griener? If so, same information as asked for above.

All construction contracts let, to whom, for what, dollar amounts. Prime's DBE subs with "CERT-DBE FORM" completed on each DBE sub.

Jim - Projects planned for fiscal 1998-99, both professional services and construction.

Description and estimated total contract dollars for each project. Do not include land purchases in any of the amounts reported; however, do include other cost associated with land purchase that are reimbursable by the FAA or TXDOT.

Please give this your highest priority and e-mail or fax to me by Monday, Nov. 2. Let me know if you have any questions or anticipate any problems in submitting the requested information.

Thanks,

Clyde Johnson
