TOWN OF ADDISON AVIGATION EASEMENT

WHEREAS, CENTRE OFFICE INVESTORS, L.P., hereinafter called "Grantor", is the owner of that certain parcel of land situated in the Town of Addison, County of Dallas, State of Texas, to wit:

SEE EXHIBIT "A"

hereinafter called "Grantor's Property", and outlined on the attached map.

NOW, THEREFORE, for consideration of the sum of One and no/100 Dollars (\$1.00) and other good and valuable consideration paid by the Grantee, hereinafter named, to the Grantor, the receipt and sufficiency of which is hereby specifically acknowledged, the Grantor, its successors and assigns, subject to the provisions herein contained, hereby grants, bargains, sells and conveys unto the Town of Addison, State of Texas, its successors and assigns, the Grantee, for use and benefit of the public, a perpetual easement and right-of-way over that portion of the Grantor's land described in Exhibit "A", in the vicinity of Addison Airport, for the purpose of the passage of all aircraft ("aircraft" being defined for the purpose of this instrument as any device now known or hereafter invented, used or designated for navigation of, or flight in the air) by whomsoever owned and operated in the air space to an infinite height above the surface of the Grantor's property, together with the right to cause in said air space noise, vibration and all other effects that may be caused by the operation of aircraft landing at or taking off from, or operated at, or on Addison Airport located in Dallas County, Texas; Grantor hereby waives, remises and releases any right or cause of action which Grantor has now, or which Grantor may have in the future against the Grantee, its successors and assigns, or Addison Airport, due to such noise, vibration, and other effects that may be caused by the operation of aircraft landing and taking off from, or operating at or on Addison Airport; the Grantor further grants that upon said property (A) no use shall be permitted that causes a discharge into the air of fumes, smoke or dust which will obstruct visibility and adversely affect the operation of aircraft or cause any interference with navigational facilities necessary to aircraft operation, and (B) no development or construction shall be permitted which will interfere in any way with the safe operation of aircraft in the air space over the land described herein or at or on the Addison Airport.

To have and to hold said easement and right-of-way and all rights appertaining hereto unto the Grantee, its successors and assigns, until the Addison Airport shall be abandoned and shall cease to be used for airport purposes. It is specifically understood and agreed that this easement, its covenants and agreements shall run with the land, which is described on Exhibit "A". The Grantor, on behalf of itself, its successors and assigns, further acknowledges that the easements herein granted contemplate and include all existing and future operations at Addison Airport, acknowledging that future aircraft numbers and types will most likely increase and noise patterns may also increase, in that the rights, obligations and covenants herein set forth shall not terminate or vary in the event of changes in the flight volume or noise, traffic patterns, runway lengths or locations or characteristics or type or category of aircraft using the Addison Airport, Town of Addison, Texas. Executed to be effective as of Grantor's acquisition of Grantor's Property and delivery of this document to Grantee.

Notary Public in and for the State of Texas

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS:

That CENTRE DEVELOPMENT CO., INC. ("Owner") does hereby adopt this plat designating the herein above property as Quorum Drive Office, an addition to the Town of Addison, Texas, and subject to the conditions, restrictions and reservations stated hereinafter, owner dedicates to the public use forever the streets and alleys shown thereon.

The easements shown on this plat are hereby reserved for the purposes as indicated, including, but not limited to, the installation and maintenance of water, sanitary sewer, storm sewer, drainage, electric, telephone, gas and cable television. Owner shall have the right to use these easements, provided however, that it does not unreasonably interfere or impede with the provision of the services to others. Said utility easements are hereby being reserved by mutual use and accommodation of all public utilities using or desiring to use the same. An express easement of ingress and egress is hereby expressly granted on, over and across all easements for the benefit of the provider of services for which easements are granted.

Any drainage and floodway easement shown herein is hereby dedicated to the public's use forever, but including the following covenants with regards to maintenance responsibilities. The existing channels or creeks traversing the drainage and floodway easement will remain as an open channel, unless required to be enclosed by ordinance, at all times and shall be maintained by the individual owners of the lot or lots that are traversed by or adjacent to the drainage and floodway easement. The city will not be responsible for the maintenance and operation of said creek or creeks or for any damage or injury of private property or person that results from the flow of water along said creek, or for the control of erosion. No obstruction to the natural flow of water run-off shall be permitted by construction of any type building, fence or any other structure within the drainage and floodway easement. Provided, however, it is understood that in the event it becomes necessary for the city to channelize or consider drainage and floodway easement at any point, or points, with all rights of ingress and egress to investigate, survey, erect, construct or maintain any drainage facility deemed necessary by the city for maintenance or efficiency of its respective system or service.

Water main and sanitary sewer easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water service and sewer services from the main to curb or pavement line, and the descriptions of such additional easements herein granted shall be determined by their locations as installed.

This plat is approved subject to all platting ordinances, rules, regulations and resolutions of the Town of Addison, Texas.

WITNESS MY HAND AT DALLAS, TEXAS, THIS THE 11 DAY OF July 1997.
