THOMAS L. CHENOWETH SURVEY
ABSTRACT NO. 273

OWNER'S CERTIFICATE

STATE OF TEXAS
COUNTY OF DALLAS
TOWN OF ADDISON

Whereas, 14775 Midway L.C. is the owner of a tract of land situated in the THOMAS L. SURVEY, ABSTRACT NO. 273 in the Town of Addison, Dallas County, Texas, and being a portion of a tract of land conveyed in deed recorded in Volume 93114, Page 700 of the Deed Records of Dallas County, Texas (DRDCT) and being more particularly described as follows:

BEGINNING at a 1/2 inch iron rod found at the intersection of the westerly line of Midway Road (a 100 foot right of way) and the northerly line of Office in The Park Addition, an addition to the Town of Addison, as recorded in Volume 78118, Page 1 of the Deed Records of Dallas County, Texas (D.R.D.C.T.), said iron rod also being located South 00°11'47" East, a distance of 1015.15 feet from the southerly line of Beltway Drive (a 60 foot right of way);

THENCE along the northerly line of said Office in The Park Addition, North 89°28'25" West, a distance of 858.45 feet to a 1/2 inch iron rod found in the easterly line of the Midway Meadows Addition, an addition to the Town of Addison, as recorded in Volume 71206, Page 1546 (D.R.D.C.T.);

THENCE Departing the northerly line of said Office in The Park Addition and along the easterly line said Midway Meadows Addition, North 00°11'47" West, a distance of 247.38 feet to a 1/2 inch iron rod found in the southerly line of the Midway Square Addition, an addition to the Town of Addison as recorded Volume 93252, Page 2780 (D.R.D.C.T.);

THENCE along the southerly line of said Midway Square Addition the following:
South 89°28'25" East, a distance of 679.42 feet to a 1/2 inch iron rod found;
South 00°31'35" West, a distance of 217.36 feet to a 1/2 inch iron rod found;
South 89°28'25" East, a distance of 182.00 feet to a 1/2 inch iron rod found in the westerly line of said Midway Road;

THENCE departing the southerly line of said Midway Square Addition and along the westerly line of said Midway Road, South 00°14'00" West, a distance of 30.00 feet to the POINT OF BEGINNING and containing 3.975 acres or 173,138 square feet of land more or less.

That 14775 Midway L.C. does hereby adopt this plat designating the hereinabove property as Texas Tumbleweed, an addition to the Town of Addison, Texas, and subject to the conditions, restrictions and reservations stated herein, and subject to the conditions, restrictions and reservations stated herein, owner dedicates to the public use forever the streets and alleys shown thereon.

The easements shown on this plat are hereby reserved for the purposes as indicated, including, but not limited to, the installation and maintenance of water, sanitary sewer, storm sewer, drainage, electric, telephone, gas, and cable television. Owner shall have the right to use these easements, provided however, that it does not unreasonably interfere or impeded with the provision of the services to others. Said utility easements are hereby being reserved by mutual use and accommodation of all public utilities using or desiring to use the same. An express easement of ingress and egress is hereby expressly granted an, over, and across all such easements for the benefit of the provider of services for which easements are granted.

Any drainage and floodway easement shown hereon is hereby dedicated to the public's use forever, but including the following covenants with regards to maintenance responsibilities. The existing channels or creeks traversing the drainage and floodway easement will remain as an open channel, unless required to be enclosed by ordinance, at all times and shall be maintained by the individual owners of the lot or lots that are traversed by or adjacent to the drainage and floodway easement. The City will not be responsible for the maintenance and operation of said creek or creeks or for any damage or injury of private property or person that results from the flow of water along said creek, or for the control of erosion. No obstruction to the natural flow of water run-off shall be permitted by construction of any type of building, fence or any other structure within the drainage and floodway easement. Provided, however, it is understood that in the event it becomes necessary for the City to channelize or consider erecting any type of drainage structure in order to improve the storm drainage, then in such event, the City shall have the right, but not the obligation, to enter upon the drainage and floodway easement at any point or points, with all rights of ingress and egress to investigate, survey, erect, construct or maintain any drainage facility deemed necessary by the City for drainage purposes. Each property owner shall keep the natural drainage channels and creeks traversing the drainage and floodway easement adjacent to his property clean and free of debris, silt, growth, vegetation, weeds, rubbish, refuse, matter and any substance which would result in unsanitary conditions or obstruct the flow of water, and the City shall have the right of ingress and egress for the purpose of inspection and to alleviate any undesirable conditions which may occur. The natural drainage channels and creeks through the drainage and floodway easement, as in the case of all natural channels, are subject to storm water overflow and natural bank erosion to an extent that cannot be definitely defined. The City shall not be held liable for any damages or injuries of any nature resulting from the occurrence of these natural phenomena, nor resulting from the failure of any structure or structures, within the natural drainage channels, and the owners hereby agree to indemnify and hold harmless the City from any such damages and injuries. Building areas outside the drainage and floodway easement line shall be filled to a minimum elevation as shown on the plat. The minimum floor of elevation of each lot shall be shown on the plat.

The maintenance or paving of the utility and fire lane easements is the responsibility of the property owner. All public utilities shall at all times have the full right of ingress and egress to and from and upon the said utility easements for the purpose of constructing, reconstruction, inspecting, patrolling, maintaining and adding to or removing all or parts of its respective system without the necessity at any time of procuring the permission of anyone. Any public utility shall have the right of ingress and egress to private property for the purpose of reading meters and any maintenance and service required or ordinarily performed by that utility. Buildings, fences, trees, shrubs or other improvements or growth may be constructed, reconstructed or placed upon, over or across the utility easements as shown; provided, however, that owner shall at its sole cost and expense be responsible under any and all circumstances for the maintenance and repair of such improvements or growth, and any public utility shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs or other improvements or growth which in any way endangers or interfere with the construction, maintenance or efficiency of its respective system or service.

Water main and sanitary sewer easements shall also include additional area of working space for construction and maintenance of the systems. Additional easement area is also conveyed for installation and maintenance of manholes, cleanouts, fire hydrants, water service and sewer services from the main to curb or pavement line, and the descriptions of such additional easements herein granted shall be determined by their locations as installed. This plat is approved subject to all platting ordinances, rules, regulations and resolutions of the Town of Addison, Texas.

WITNESS, MY HAND, this the 10th day of June 1994

Jeffrey Palmer
Owner

STATE OF TEXAS
COUNTY OF DALLAS

BEFORE ME, the undersigned authority, a Notary Public, on this day personally appeared *Jeffrey Palmer* known to me to be the person whose name is subscribed to the foregoing instrument, and acknowledged to me that he executed the same for the purposes and considerations therein expressed.

SURVEYOR'S CERTIFICATION

I, B. J. Elam, a Registered Professional Land Surveyor, hereby certify that this survey was made on the ground under my supervision and correctly shows the boundary lines, dimensions, and area of the land indicated thereon, the location of all visible improvements, the location of all alleys, streets, right-of-ways, easements and other matters of record which the undersigned has been advised are as shown hereon. The undersigned further certifies that there are no visible discrepancies, conflicts, shortages in area, boundary line conflicts, encroachments, overlapping of improvements, easements or right-of-ways except as shown hereon and that the property has access to and from a public roadway.
