Summary of Engineering Revision Comments

Development: Galaxy FBO

Town Project #:19-09D

Revision No.	Date	Page No.	Comments	Reason for changes
ASI-C005	8/7/2020	C00.06	Removed the ornamental fence that was previously proposed along Addison Road since that is not allowed within the 25-foot front yard setback, and moved the chain link fence on the east side of the parking area at the south end of the site outside the 25-foot front yard set back. This change required the deletion of one parking stall in the south parking area.	
ASI-C005	8/7/2020	C03.01	Added callouts for the removal of the existing AOA Fence between the proposed detention pond and Addison Road so that short segment of the AOA fence can be reconstructed outside the 25-foot front yard setback as part of the scope of this project	
ASI-C005	8/7/2020	C05.01	Updated the east curb line of the parking area at the south end of the site so the fence on the east side of that parking area could be moved outside the 25-foot yard setback. Also added a curb slot to allow the sliding gate to role in and out.	
ASI-C005	8/7/2020	C05.02	Added the public art plaza area.	
ASI-C005	8/7/2020	C05.04	Adjusted point number 11, 19, 20, 21, 22, 23, and 24. Also added point 280 - 298	
ASI-C005	8/7/2020	C07.01	Adjusted joint spacing based on the modification to the east curb line of the parking area at the south end of the site.	
ASI-C005	8/7/2020	C09.01	Adjusted elevations based on the modification to the east curb line of the parking area at the south end of the site.	
ASI-C005	8/7/2020	C09.02	Added elevations on the sidewalk and ramps that were added/adjusted around the public art plaza.	
ASI-C005	8/7/2020	C10.05	Adjusted elevations based on the modification to the east curb line of the parking area at the south end of the site.	
ASI-C005	8/7/2020	C10.06	Adjusted elevations on the sidewalk and ramps that were added/adjusted around the public art plaza.	
ASI-C005	8/7/2020	C16.04	Removed one parking stall for the parking area at the south end of the site.	
ASI-C005	8/7/2020	C17.01	Moved the chain link fence on the east side of the parking area on the south end of the site so it is outside the 25-foot front yard setback, and removed the ornamental fence and gate previously proposed along Addison Road.	
ASI-C005	8/7/2020	C17.02	Removed the ornamental fence previously proposed along Addison Road.
